MANY HAVE FOUND THIS HELPFUL!
DAILY HOPE 0800 804 8044

Daily Hope, offers music, prayers and reflections as well as full worship services from the Church of England at the end of a telephone line. The line – which is available 24 hours a day on **0800 804 8044** – has been set up particularly with those unable to join online church services during the period of restrictions in mind.

Options available include materials also available digitally by the Church of England's Communications team such as [Prayer During the Day and Night Prayer](#), updated daily, from Common Worship, and a recording of the Church of England [weekly national online service](#).

A section called Hymn Line offers callers a small selection of hymns, updated daily. An option entitled 'Hymns We Love', provides a hymn and reflection and is based on an initiative by the Connections group.
