**Sedgley Friendship Group**

Friday 4<sup>th</sup> October 2019

11am

All Saints' Church, Sedgley

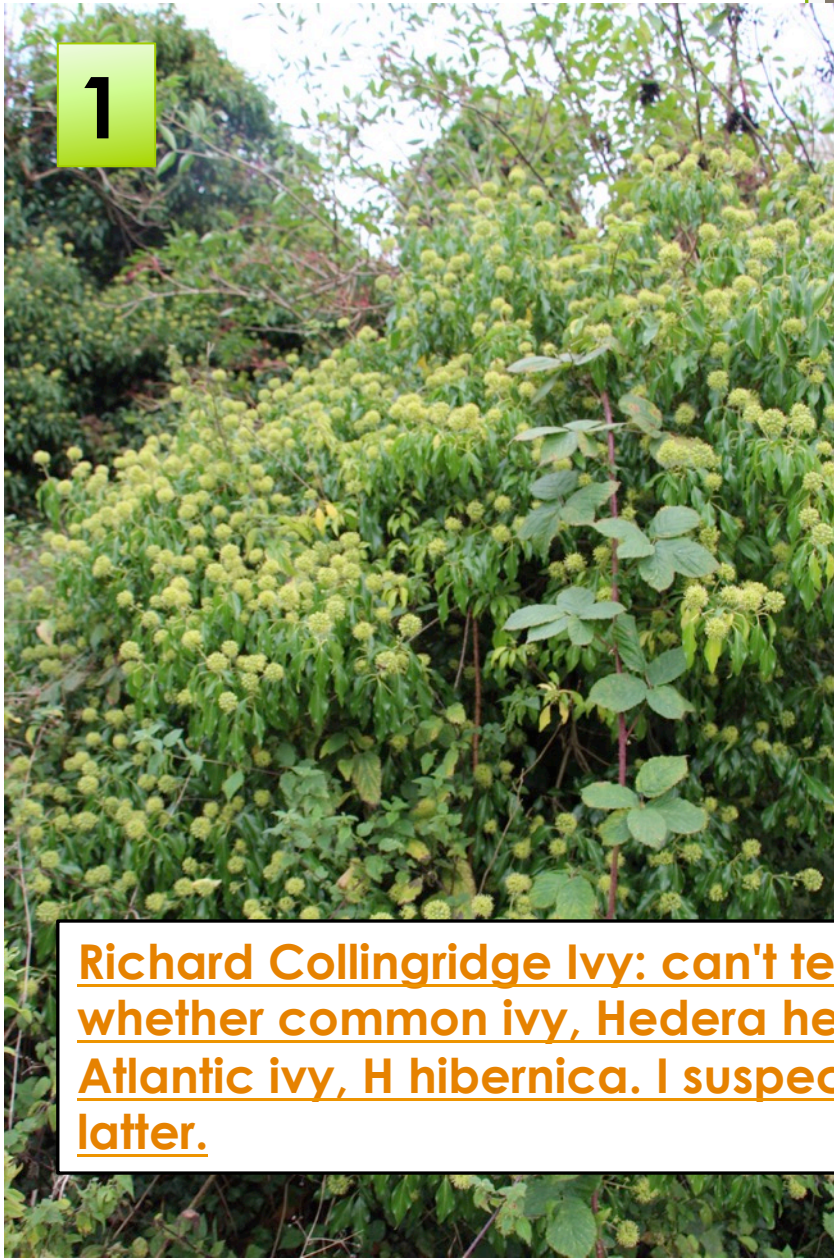

1

Richard Collingridge Ivy: can't tell whether common ivy, *Hedera helix* or Atlantic ivy, *H. hibernica*. I suspect the latter.

2

Richard Collingridge Hazel, Corylus avellana.

Nina Fenner I hate to disagree with Richard because he's usually right .. but I think I would go for lime .. are there any seeds on it? .. that would help identification.

3

Stephen Robinson Sycamore

4
